

**RESOLUTION NO. RS-07-004**

***(Adopting Changes to Charges, Rentals, and Fees  
at the Hagerstown Regional Airport)***

RECITALS

Pursuant to Section 5-416, Transportation Article, Annotated Code of Maryland (to which all references herein shall be made), the State of Maryland has granted to political subdivisions of the State the power and authority to establish or operate any airport, airport facility, or air and navigation facility.

Pursuant to Section 5-416, the Board of County Commissioners of Washington County, Maryland (the "Board"), owns and operates the Hagerstown Regional Airport - Richard A. Henson Field (the "Airport").

Section 5-418 provides that any political subdivision that acquires, leases, controls, or sets apart any property for an airport, airport facility, or air navigation facility may:

- (1) Establish and operate the airport or facility;
- (2) Lease or grant to any person, on the terms and conditions it considers proper, any right or interest in the airport or facility;
- (3) Fix any charges, rentals, or fees for the use of the airport or facility and for any right or interest granted to any person under this section; and
- (4) Delegate any of its powers under this section to any suitable officer or agency of the political subdivision and, for this purpose, create any new agency or unit.

All costs and expenses incurred in connection with any act performed shall be the responsibility of the political subdivision.

On September 18, 1984, the Board adopted a resolution recorded in Liber 3, Folio 987 of the Acts, Ordinances, and Resolutions for Washington County, creating a Washington County Regional Airport Commission and defining its rights, powers, and responsibilities.

On February 2, 1999, the Board adopted a resolution changing the name of the Washington County Regional Airport Commission to the Hagerstown Regional Airport Advisory Commission (the "Commission").

The Commission has recommended to the Board that certain rates be adjusted to balance the operating budget.

Proposed rate changes were advertised and a joint public hearing was held by the Board and the Commission on Tuesday, April 3, 2007, following due notice and advertisement of said proposed rate changes.

Following public comment which was received, reviewed, and considered concerning the proposed rate changes, the Board finds the same to be in the best interests of the citizens of the County and therefore adopts the following rates, effective July 1, 2007.

NOW, THEREFORE, BE IT RESOLVED by the Board that the following charges, rentals, and fees are hereby adopted:

Fuel Flow Fees \$0.08 gal. delivered  
 (Per gallon delivered to the Airport and paid by all Hagerstown fuelers)
